I've added a few more pics and a video clip to this Gallery of the many images which were lost from this thread. Some large size photos lost when the forum was hacked have been re-posted in the old posts, but some may never be re-posted. Some pics show 'free' skating on Wyndley Pool Sutton Park. The pics are mainly from the 40's 50's and 60's. **Some of the pics will enlarge if clicked on** to show in a new browser tab.
